"Judah will continue to produce kings and
lawgivers,
and Ephraim will produce great warriors.
Moab will become my lowly servant!
Edom will likewise serve my purposes!
I will lift up a shout of victory over the land of
Philistia!
10 But who will bring me triumph into Edom's
fortresses?
11 Lord, have you really rejected us, refusing to
fight our battles?
12 Give us a Savior's help when we face our
enemies!
For to trust in any man is an empty hope.
13 With God's help we will prevail with mighty
power.
And with God's help we'll trample down our
every foe!

Psalm 60

GOD, IT'S TIME FOR VENGEANCE!

To the Pure and Shining One

A poetic song by King David

1 God, hear my praise, don't stand silently by
aloof to my pain,
2 While the wicked slander me with their lies

a 108:10 Edom is a variant form of the word *Adam*.

I WILL pray until I become prayer itself.
