Psalm 119:15
I declared that your words are my delight and my meditation.

THE TRIUMPH OF LIFE

Great blessing for them who walk in the light of your presence.

Shout in celebration of the Lord with all your heart.

Everyone who loves the Lord is great in heart and mouth.

He who cherishes his words and keeps them in his heart is a treasure.

Even if darkness and despair arise, do not fear, for the Lord's light will guide you.

His children will walk in His light forever.
